# SELDA TREESA JOSE

Thodupuzha, Idukki, Kerala | +91 9645154573 | seldatreesajose27@gmail.com

## SUMMARY

First-year B.Tech Computer Science and Engineering (Data Science) student at Mar Athanasius College of Engineering, Kothamangalam with strong academic performance and a solid foundation in programming and database systems. Passionate about software development, data-driven problem solving, and UI/UX design. Actively building practical projects in Python, MySQL, and web technologies. Seeking an internship opportunity to gain hands-on experience and contribute to real-world technical solutions.

## EDUCATION

- B.Tech in Computer Science and Engineering (Data Science)
  Mar Athanasius College of Engineering
  CGPA (Semester 1): 10

- Senior Secondary Education (Class 12)
  De Paul Public School, Thodupuzha
  Percentage: 97.6%

- Higher Secondary Education (Class 10)
  De Paul Public School, Thodupuzha
  Percentage: 93.8%

## PROJECTS

- **Company Management System** (Python, MySQL)
  Developed a database-driven application with CRUD operations to manage employee and company records using MySQL integration.
- **Digital Footprint Visualizer**
  Analyzes how traceable a username is across platforms using publicly available data.
- **Smart To-Do List**
  Task manager with priority scoring and deadline-based organization.
- **FoodClose**
  Web app to discover surplus food at discounted prices.
- **Study Compressor**
  AI-based tool that converts notes into summaries, flashcards, and quizzes.
- **PetMatch**
  Platform to help users find and adopt pets.

## TECHNICAL SKILLS

- Languages: Python, C, Java, SQL, HTML
- Database: MySQL
- Concepts: Object-Oriented Programming, Basic Data Structures
- Tools: VS Code, Github , MySQL

## TECHNICAL PARTICIPATION

- Attended Figma UI/UX Design Workshop – hands-on experience in UI design and prototyping.
- Participated in Google Cloud Study Jams organized by Google Developer Groups (GDG), focusing on collaborative technical learning.
- Solved coding challenges in C and Python on HackerRank to strengthen programming fundamentals and logical thinking.
- Participated in Tinkher-hack 4.0 organized by Tinkerhub MACE
- Got third prize in Dataquest challenge by GDG,MACE.

## STRENGTHS

- Strong academic consistency
- Problem solving
- Team player
- Quick learner
- Self-motivated and proactive
